## *Distinguished Taste*

Each year, the Rain Dance Reserve is produced exclusively to showcase the best blocks of pinot noir from our estate vineyards. Dark and brooding in the glass, this special release opens slowly with dark blackberry, fresh tobacco, and leather. The palate is decadent, featuring soft round tannins with refreshing acidity. The flavors are pronounced, and sultry, with blue and black fruits layered over sage and toasty notes below. It's a stunning wine that will only continue to evolve with time in the cellar.
